Year 1 Class Report

Year 1 have been busy learning about lots of interesting things this term. We have been investigating and experimenting with how sound and light are produced in Science and Technology, we have been learning about what family life was like in the past and comparing it to family life today. Year 1 have thoroughly enjoyed reading books by Julia Donaldson this term, particularly the Gruffulo. We have been exploring the use of adjectives in our descriptive writing and have completed a character study of the Gruffulo. We have included some pictures of us working hard on our character descriptions.
